

## **Daniel, 12**

### **My Favorite Things:**

Dungeons and dragons and magic cards. I also like to read fantasy books. I like to snowboard, x-country ski and ride my bike. I like to play basketball. I love Cats. I also like NASCAR.

### **Things I do not like:**

I don't like baseball, soccer or football.

### **Favorite Foods:**

Hot dogs, cheeseburgers, onions, tacos, Chicken Fajitas and salad. My absolute favorite food is lasagna.

### **What I want in a family:**

I want a family with cats. I would like to have woods close by. I want a family who is available to me.

### **What I want families to know about me:**

I love playing the card game magic. I probably don't want any younger siblings. I like to watch NASCAR.

### **What we want families to know about the youth:**

Daniel is an engaging young man with lots of interests. He genuinely wants to connect and belong. We are looking for a family who would be willing to engage in support services and help Daniel through his grief and loss. A family committed to providing Daniel with safety and security and help him grow his interests.
